endowment, y	which provide an opportunity for donors to express their intentions for how the gift is to be	
directed and	used by the University. Guidelines are created for the student, faculty, and program support and	
indicate the p	articular college, campus, or program to benefit from the endowed fund.	
Part X, Line 2	- Income Taxes	
The Universit	y files U.S federal and state tax returns. The statute of limitations on the University's federal returns generally remains open for

Section C. Supplemental Information for Part V, Section B. Provide descriptions required for Part V, Section B, lines 2, 3j, 5, 6a, 6b, 7d, 11, 13b, 13h, 15e, 16i, 18d, 19d, 20e, 21c, 21d, 22d, 23, and 24. If applicable, provide separate descriptions for each hospital facility in a facility reporting group, designated by facility reporting group letter and hospital facility line number from Part V, Section A ("A, 1," "A, 4," "B, 2," "B, 3," etc.) and name of hospital facility.

Part V Section B 3-4. The community health needs assessment (CHNA) represented a comprehensive community-wide process where Holy

Spirit Health System, Penn State Milton S. Hershey Medical Center, and Pinnacle Health System connected with a wide range of public and

private organizations such as educational institutions, health-related professionals, local government officials, human service organizations,

and faith based organizations to evaluate the community's health and social needs. The assessment included primary data collection,

secondary data, interviews with stakeholders, focus groups with key audiences, and community forums. The CHNA report was issued

in September 2012 and addressed the Dauphin, Cumberland, Perry, Lebanon, and the northern tier of York Counties.

Part V Section B 6-7. A comprehensive Implementation Plan with associated strategies and goals was developed, approved and published

on our website in June 2013. Internal monitoring and tracking is on-going as part of the 3 year implementation process.

The identified need of Community Mental Health was not addressed within this plan. The Medical Center participates in the Pennsylvania

Psychiatric Institute, a separate legal entity, that specifically addresses this issue.

Part VI Supplemental Information

Provide the following information.

- 1 Required descriptions. Provide the descriptions required for Part I, lines 3c, 6a, and 7; Part II and Part III, lines 2, 3, 4, 8 and 9b.
- 2 Needs assessment. Describe how the organization assesses the health care needs of the communities it serves, in addition to any CHNAs reported in Part V, Section B.
- **3** Patient education of eligibility for assistance. Describe how the organization informs and educates patients and persons who may be billed for patient care about their eligibility for assistance under federal, state, or local government programs or under the organization's financial assistance policy.
- 4 **Community information.** Describe the community the organization serves, taking into account the geographic area and demographic constituents it serves.
- **5 Promotion of community health.** Provide any other information important to describing how the organization's hospital facilities or other health care facilities further its exempt purpose by promoting the health of the community (e.g., open medical staff, community board, use of surplus funds, etc.).
- 6 Affiliated health care system. If the organization is part of an affiliated health care system, describe the respective roles of the organization and its affiliates in promoting the health of the communities served.
- 7 State filing of community benefit report. If applicable, identify all states with which the organization, or a related organization, files a community benefit report.

Part I - All financial data in Schedule H refers only to the Milton S. Hershey Medical Center - 7f Total Expenses include total Operating

Expenses of the Medical Center and the fund transfers to the College of Medicine.

Total Financial Assistance and Certain Other Community Benefits at Cost is 9.8 % of Total Operating Expenses, when the fund transfers

supporting the Health Education and Research programs (\$55,694,468) managed by College of Medicine are included.

Pt. V Financial Assistance Policy #14: The hospital facility does not attach the actual policy to billing invoices, post in ED, waiting rooms,

or Admissions, however our patient invoices, flyers and brochures indicate that financial assistance is available to patients who cannot

afford to pay their medical bills.

Pt. V Charges to individuals eligible for assistance under the FAP (FAP eligible individuals) #20: PSHMC intentionally keeps charges well

below average (31 percentile compared to our peers). Our charge structure factors in the amounts charged to FAP eligible individuals.

Part III Sec B.8 Hospital Medicare costs were calculated using MCCR (as filed) Schedule B1, total costs , subtracting out GME costs (reported_

part 1, 7f) and then multiplying that result by the Medicare payer mix for the hospital entity. Professional Medicare costs were calculated by

taking the total WRVU for the professional entity and Multiplying that result by the Average cost per WRVU(including malp costs) that result

is then calculated by the medicare payer mix for the professional entity.

Part III Sec A.3 Bad Debt & Charity Care - Attached Appendix A

Schedule H (Form 990) 2014

Part VI Supplemental Information Appendix A

Bad Debts – Patient accounts receivable are reduced by an allowance for doubtful accounts. In evaluating the collectability of patient accounts receivable, management analyzes past history and identifies trends for each major payor source of revenue to estimate the appropriate allowance for doubtful accounts. Management regularly reviews data about these major payor sources of revenue in evaluating the sufficiency of the allowance for doubtful accounts. For receivables associated with services provided to patients who have third-party coverage, management analyzes contractually due amounts and provides and allowance for doubtful accounts (for example, for expected uncollectible deductibles and copayments or for payors who are known to be having financial difficulties that make the realization of amounts due unlikely). For receivables from self-pay patients the Medical Center and Health System records a provision for bad debts in the period of service on the basis of its past experience, which indicates that many patients are unable or unwilling to pay the portion of their bill for which they are financially responsible. In estimating the allowance for doubtful accounts, account age is taken into consideration. The difference between the standard rates (or the discounted rates if negotiated) and the amounts actually collected after all reasonable collection efforts have been exhausted is charged off against the allowance for doubtful accounts.

Charity Care – The Medical Center provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than established rates. The Medical Center does not pursue collection of amounts determined to qualify as charity care and is based on a ratio of the Medical Center's operational costs to its gross charges.
